

Quick Control Overview (please read)

Right Click (Right Hand Tool Use) or Pull/Put Away Sword
Left Click - Pull/Put Away Gun/Reload (Hold to Aim)

All Tools require an empty right hand to equip

F - to Eat Food (restores health) or to cook food on fire (sword equipped)

G - to Drink or fill canteen (Restores mana and movement speed)

L - Light a Lantern(Both hands empty to light)

P - Fishing pole equip (right click to cast/snag, mouse wheel to reel in)

M - Mining pick equip (Right Click to till garden or mine bolders)

H - Hatchet equip (skinny trees give logs, larger trees give lumber for house construction and boat repair, palm trees give nothing

B - Build House(plans required) - trees and rocks prevent placement, currently foiliage is not cleared away so place accordingly

Additional Gaming Task will become available with picture icons on the 1, 2 and 3 keys

Use Mouse Wheel to choose speech option when talking to NPC'S. They will provide many game tips and as there is no quest log, simple speech of the locals will reveal quests and tell you what is going on around you.

Additional tips

Not all Natives are blood thirsty cannibals, some can help you

Dont jump on a boat that doesnt belong to you, the owner will attack you

Dont fall off your boat at Sea, it will end bad

Dont kill cattle that doesnt belong to you, the owner will attack you

Save your progress at the local Inn
