INSTALLATION

Insert the disc for the game you would like to install into your optical drive. If the drive’s Auto-Play feature is enabled, select the game from the menu and follow the instructions. If Auto-Play is not enabled, double-click on the “My Computer” icon on your desktop, and then double-click on the optical drive icon to begin the installation. Follow the installation instructions.

If the game does not begin installing immediately, right click on the drive icon, choose ‘Explore’ from the pull-down menu, and then double-click on ‘autorun.exe’ to launch the installation.
