All rights reserved, except as expressly stated herein.

Regular installation of the SteamVR Runtime by end users for their personal, noncommercial purposes is governed by the Steam Subscriber Agreement, located at <https://store.steampowered.com/agreement> (the “**Steam Agreement**”). The below SteamVR Commercial Installation Agreement (the “**License Agreement**”) only affects you if you intend to install and use the SteamVR Runtime outside of a personal, noncommercial context, such as in an office environment, at kiosk-type public displays, in educational, research or governmental contexts.

If you are looking to set up an installation that allows your customers access to Steam experiences on your equipment, such as in an arcade environment or a cybercafé, we encourage you to review the Steam Café Program here: <https://partner.steamgames.com/doc/sitelicense/licensees>

Any use, reproduction or redistribution of the Program not in accordance with the terms of the License Agreement and/or the Steam Agreement is expressly prohibited.

LICENSE AGREEMENT

1. Grant of Licenses.

A. *Limited Installation License.* Valve hereby grants, and by installing the Program you thereby accept, a limited, non-exclusive license and right to install copies of the Program on each of your or your organization’s computers for your or your organization’s personal or commercial use; provided that the following conditions are met:

- (i) you must install the Program in its entirety;
- (ii) you may not modify the Program; and
- (iii) you must preserve in all copies of the Program all copyright and legal notices that are attached to the copy of the Program received by you.

B. *Restrictions/Reservation of Rights.* Except as expressly set forth elsewhere in this License Agreement, you may not, in whole or in part: copy, photocopy, reproduce, translate, reverse engineer (with the exception of specific circumstances where such act is permitted by law), derive source code from, modify, disassemble, decompile, or create derivative works based on the Program; remove any proprietary notices or labels on the Program; or attempt in any manner to circumvent any security measures designed to control access to the Program. You may not package the Program with, or pre-install the Program on, any hardware. You may not use the Program in situations, or in connection with hardware, that could lead to serious injury or death (for example, you may not use the Program to operate medical devices, heavy machinery, or military equipment). The Program is licensed to you as a single product. Its component parts may not be separated for use on more than one computer. You may not sell, grant a security interest in, rent, lease or license the Program to others without the prior written consent of Valve. The Program is licensed, not sold. Your license confers no title or ownership in the Program or copies thereof.

2. Ownership. All title, ownership rights and intellectual property rights in and to the Program and any and all copies thereof (including but not limited to any titles, computer code, themes, objects, characters, character names, stories, dialog, catch phrases, locations, concepts, artwork, animations, sounds, musical compositions, audio-visual effects, methods of operation, moral rights, any related documentation, and “applets” incorporated into the Program) are owned by Valve or its licensors. The Program is protected by the copyright laws of the United States, international copyright treaties and conventions and other laws. All rights are reserved. The Program contains certain licensed materials and Valve’s licensors may protect their rights in the event of any violation of this Agreement.

3. Termination. This License Agreement is effective until terminated. You may terminate the License Agreement

at any time by destroying the Program. We may terminate your rights set forth in Section 1.A. of this License Agreement at any time upon notice to you. This License Agreement shall automatically terminate in the event that you fail to comply with the terms and conditions contained herein. In such event, you must immediately destroy the Program. The provisions of Sections 2, 3, and 5-7 will survive any termination of the Agreement.

4. Export Controls. The Program may not be re-exported, downloaded or otherwise exported into (or to a national or resident of) any country to which the U.S. has embargoed goods, or to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Commerce Department's Table of Denial Orders. By installing the Program, you are agreeing to the foregoing and you are representing and warranting that you are not located in, under the control of, or a national or resident of any such country or on any such list.

5. WARRANTY DISCLAIMERS; LIMITATION OF LIABILITY; NO GUARANTEES. DISCLAIMERS OF WARRANTY AND LIMITATIONS ON LIABILITY SET FORTH IN THE STEAM AGREEMENT, AND/OR ELSEWHERE IN THE STEAM AGREEMENT, APPLY TO YOUR USE OF THE PROGRAM.

6. Warranties/Indemnities Relating to Redistribution. If you choose to redistribute the Program, you represent and warrant that any modifications you make to the Program, if any, and your particular combination of the Program with any other software or hardware, do not infringe on any third-party intellectual property rights. You agree to defend, indemnify and hold harmless Valve, its licensors, and its and their affiliates from all liabilities, claims and expenses, including attorneys' fees, that arise from or in connection with your redistribution of any modifications you make to the Program or your particular combination of the Program with any other software or hardware or your breach of this License Agreement. Valve reserves the right, at its own expense, to assume the exclusive defense and control of any matter otherwise subject to indemnification by you. In that event, you shall have no further obligation to provide indemnification to Valve in that matter.

7. Miscellaneous. Provisions relating to applicable law and jurisdiction, and dispute resolution, set forth in the Steam Agreement shall apply to any disputes arising under this Agreement. You agree that this Agreement shall be deemed to have been made and executed in the State of Washington, U.S.A., and any dispute arising hereunder shall be resolved in accordance with the law of Washington excluding the law of conflicts and the Convention on Contracts for the International Sale of Goods. You agree that any claim asserted in any legal proceeding by you against Valve shall be commenced and maintained exclusively in any state or federal court located in King County, Washington, having subject matter jurisdiction with respect to the dispute between the parties and you hereby consent to the exclusive jurisdiction of such courts. This License Agreement and the Steam Agreement terms incorporated herein may be amended, altered or modified at any time by Valve in Valve's sole discretion. In the event that any provision of this License Agreement shall be held by a court or other tribunal of competent jurisdiction to be unenforceable, such provision will be enforced to the maximum extent permissible and the remaining portions of this License Agreement shall remain in full force and effect. This License Agreement and the Steam Agreement constitute and contain the entire agreement between the parties with respect to the subject matter hereof and supersede any prior oral or written agreements.

You hereby acknowledge that you have read and understand the foregoing License Agreement and agree that the action of installing the Program is an acknowledgment of your agreement to be bound by the terms and conditions of the License Agreement contained herein, including the Steam Agreement.
